

/home/ferret/CLionProjects  
/calenhad/src/nodeedit/PortName  
Validator.h

```
graph TD; A["/home/ferret/CLionProjects  
/calenhad/src/nodeedit/PortName  
Validator.h"] --> B["NodeNameValidator.h"]; B --> C["QtGui/QValidator"];
```

A vertical flowchart with three rectangular boxes. The top box is gray and contains a file path. A blue arrow points down from the top box to a white box in the middle, which contains a header file name. Another blue arrow points down from the middle box to a white box at the bottom, which contains a Qt widget class name.

NodeNameValidator.h

QtGui/QValidator
