

calenhad::mapping::
CalenhadMapWidget::navigate

```
graph LR; A["calenhad::mapping::  
CalenhadMapWidget::navigate"] --> B["calenhad::controls  
::globe::NavigationEvent  
::azimuth"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'calenhad::mapping::' followed by 'CalenhadMapWidget::navigate' on the next line. The right box is light gray with a black border and contains the text 'calenhad::controls' followed by '::globe::NavigationEvent' and '::azimuth' on the next two lines.

calenhad::controls
::globe::NavigationEvent
::azimuth
