

QDialog

```
classDiagram
    class QDialog
    class LegendEntryDialog["calenhad::controls::legend::LegendEntryDialog"]
    LegendEntryDialog --|> QDialog
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'QDialog'. Below it is a larger box labeled 'calenhad::controls::legend::LegendEntryDialog'. A blue arrow points from the bottom of the lower box to the bottom of the 'QDialog' box, indicating that 'LegendEntryDialog' inherits from 'QDialog'.

calenhad::controls
::legend::LegendEntryDialog
