

calenhad::controls  
::altitudemap::AltitudeMapping  
Dialog::setMapping

```
graph LR; A["calenhad::controls  
::altitudemap::AltitudeMapping  
Dialog::setMapping"] --> B["calenhad::controls  
::altitudemap::AltitudeMapping  
::expressionY"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains three lines of text: 'calenhad::controls', '::altitudemap::AltitudeMapping', and 'Dialog::setMapping'. The right box is gray with a black border and contains three lines of text: 'calenhad::controls', '::altitudemap::AltitudeMapping', and '::expressionY'.
