

QGraphicsScene

```
classDiagram
    class QGraphicsScene
    class CalenhadModel["calenhad::pipeline::CalenhadModel"]
    CalenhadModel --|> QGraphicsScene
```

The diagram illustrates an inheritance relationship. A light gray box at the bottom, labeled 'calenhad::pipeline::CalenhadModel', has a blue arrow pointing upwards to a white box at the top labeled 'QGraphicsScene'. This indicates that 'CalenhadModel' inherits from 'QGraphicsScene'.

calenhad::pipeline
::CalenhadModel
