

calenhad::controls
::ColorButton::showEvent

```
graph LR; A["calenhad::controls  
::ColorButton::showEvent"] --> B["calenhad::controls  
::ColorButton::setColor"]; B --> C["calenhad::controls  
::ColorButton::color"]
```

The diagram illustrates a sequence of three function calls. The first box, 'calenhad::controls::ColorButton::showEvent', is white with a black border. A dark blue arrow points from its right side to the second box, 'calenhad::controls::ColorButton::setColor', which is also white with a black border. Another dark blue arrow points from the right side of the second box to the third box, 'calenhad::controls::ColorButton::color', which is shaded gray with a black border.
